Location of Lister Hill Library

The Lister Hill Library of the Health Sciences is located on Birmingham's historic Southside on the UAB campus at **1700 University Blvd.** (University Blvd. is 8th Avenue South as it passes through the UAB campus area.) Please refer to map below

Parking Near Lister Hill Library

As with any urban university, **parking spaces are at a premium.** Depending on the time of your arrival, you should expect to walk 2 or 3 blocks from your parking space to the Library. There is a small charge for parking at most campus parking decks during business hours.

Most UAB designated lots are open to anyone after 5:00 pm on weekdays and/or on weekends. For instance, there is a small parking deck (Lot #8) under the library that you can enter from 7th Ave. (Please note, however, that the public entrance to the library is on University Blvd. **Individuals with disabilities can phone from the staff elevator lobby located in the parking deck for assistance.**)

There are also **5 short-term metered spaces in front of the library on University Blvd.**

Some metered, street parking is available along 7th Avenue South. (These spaces are very hard to get during the weekdays, but may be available on nights and weekends.)

****UAB Public Parking Deck #3 is on the corner of University Blvd. (8th Avenue) and 19th Street. This is the best overall option for parking during weekday hours.**

Eye Foundation Hospital Parking Deck is one of the closest decks to Lister Hill Library, located on the corner of University Blvd. (8th Avenue) and 18th Street. Please note however that **non-hospital visitors are charged \$15.00 to park in this deck.**

The Children's Hospital Parking Deck is located next to Volker Hall and can be accessed from University Blvd. or 7th Ave. South. **HOWEVER,** TCHA also charges \$10.00 for any **non-**Children's Hospital parking.

Lister Hill Library CANNOT validate parking in the Eye Foundation or Children's Hospital parking decks.
